North Carolina Audiology Association

https://www.ncaudiologists.org

North Carolina Audiology Association is excited to announce our two-day in-person conference on September 18-19, 2025 at the Durham Convention Center. We would like to invite you to join our mission to promote audiology education and improve patient care as a conference sponsor.

Established in 2017, the NC Audiology Association is a dynamic and forward-thinking collective of Audiology professionals and advocates dedicated to providing a one of a kind learning experience for our NC audiology community. The NCAA is officially recognized by the American Academy of Audiology and the Academy of Doctors of Audiology.

This year our conference theme is actionable insights, with both local and national speakers focusing on actionable steps each attendee can take to improve clinical practice. We want each person attending the conference to gain a plethora of tangible resources and practical knowledge to improve patient care across the state.

Your company's interests and philanthropy make you the perfect candidate to join us on our mission. Your support improves the services and patient care provided to Carolinians of all ages with hearing and vestibular disorders through helping fund education from top-tier speakers, building in-person connections between practitioners and manufacturers, and supporting our investment in the future of audiology by keeping student attendance costs low (or free with volunteerism). Please note some sponsorship levels also include conference registrations and promotional opportunities for your organization.

We look forward to hearing from you soon. Attached you will find the Sponsorship Level Options and the Sponsor and Exhibitors Applications form. Associated deadlines are included, but note that for inclusion in printed materials, ALL MATERIALS AND PAYMENT IN FULL MUST BE RECEIVED BY AUGUST 1, 2025.

- Submit materials via email to ncaudiologyassociation@gmail.com
- If you have any questions, please contact us at ncaudiologyassociation@gmail.com

Best Regards,

North Carolina Audiology Association Conference Team
